Education

- PhD, Department of Computer Science, Polytechnic University, 1995/1
- Master, Department of Computer Science, University of Southern California, 1989/8

Area of Specialty

- Rough Set
- Data Mining
- Object Oriented Programming
- Web Service
- Semantic Web
- Distributed Debugging

Academic Experience

- Associate Professor, Department of Information Management, Southern Taiwan University of Science and Technology, 1994/8 to present

Journal Papers
