hank0126@stust.edu.tw

Education

- **Ph.D. in Biostatistics,**
School of Public Health, The University of Texas Health Science Center at
Houston, Texas, 2007-2011
Dissertation title: *Logistic regression with Markov chains as covariates*
- **Master of Science in Engineering Management,**
Department of Industrial Engineering, The University of Texas at Arlington,
Arlington, Texas, 2005-2006
- **Master of Business Administration in Management Information System**
Chung Yuan Christian University, Chung Li, Taiwan, 2001-2003
Thesis: *The Study of Graphic Presentation Style of User Interface Design for
Mobile Phone*
- **Bachelor of Business Administration in Management**
Chung Yuan Christian University, Chung Li, Taiwan, 1995-1999

Area of Specialty

- Biostatistics
- Epidemiology
- Healthcare database
- Outcome research

Academic Experience

- **Adjunct Associate Professor,**

Department of Information Management, Southern Taiwan University of Science and Technology, 2021-current

Department of Hospital and Health Care Management, Chia Nan University of Pharmacy and Science, 2019-2020

- **Adjunct Assistant Professor,**

Department of Hospital and Health Care Management, Chia Nan University of Pharmacy and Science, 2012-2019

Department of Pharmacy, Chia Nan University of Pharmacy and Science, 2014-2017

- **Post-Doctoral Fellow,**

Department of Epidemiology, The University of Texas MD Anderson Cancer Center, 2011

Professional Experience

- **Associate Research Fellow,**

Department of Medical Research, Chi Mei Medical Center, 2011-current

Publications

- **Journal papers** (#Correspondence author; *Equal contribution)
